YOU CAN MAKE EXCUSES OR
YOU CAN MAKE A DIFFERENCE.

WE CHOOSE TO MAKE A DIFFERENCE

Key to success is the engagement from local business

Network of passionate people whose aim is to develop entrepreneurial young people who can achieve success for themselves and the region. Led by C4EE other players include Local Authorities, Primary Heads, Secondary Heads, our 2 local Universities, Business support agencies, local business leaders, Government departments and local businesses small and large.

Making a difference – where we start!

- In 2017 we worked with 38 Primary Schools across Swansea developing the entrepreneurial mind-set, the can-do, will-do attitude which will help them to achieve a success future.

Primary School initiatives

Primary children presenting the enterprise skills they have developed while working with us

Secondary Schools

Last year saw us working with 32 Secondary Schools across Swansea, Neath, Port Talbot, Carmarthenshire and Cardigan who take part in Young Business Dragons enterprise competition.
